

Deckaura Printable Tarot Deck

All 78 illustrated cards – print-at-home edition

A complete illustrated tarot deck you can print at home: the 22 Major Arcana and the 56 Minor Arcana (Wands, Cups, Swords and Pentacles), plus a matching card back and a quick-reference guide to upright and reversed meanings.

How to print and assemble

1 Print the card fronts

Print pages 2–10 at 100% scale (“Actual size”). Do not use “Fit to page” or “Shrink oversized pages”; the sheets work on US Letter and A4.

2 Use card stock

200–300 gsm matte card stock gives cards that shuffle well. Check the heaviest paper your printer accepts first.

3 Add the backs

Page 11 holds nine matching backs. Print it on the reverse of each front sheet (two-sided, flip on long edge), or print it separately and glue it on.

4 Cut along the marks

Each card is 2.25 × 3.38 in (57 × 86 mm). Cut on the crop marks with a ruler and craft knife or a paper trimmer. Rounding the corners is optional.

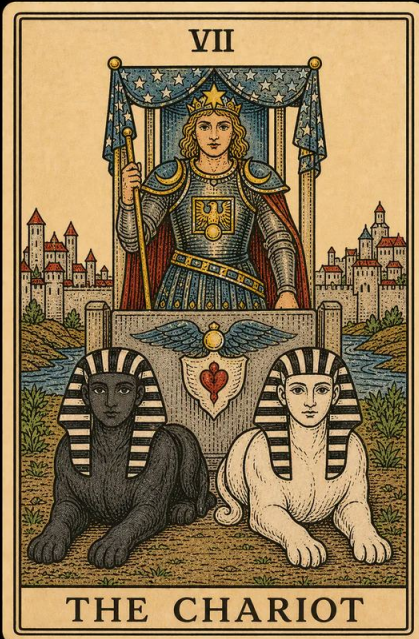

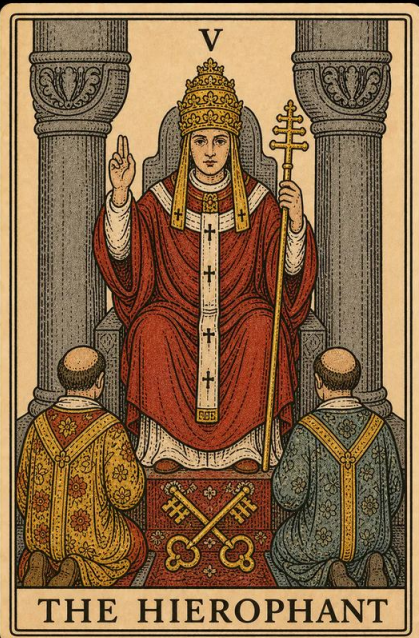

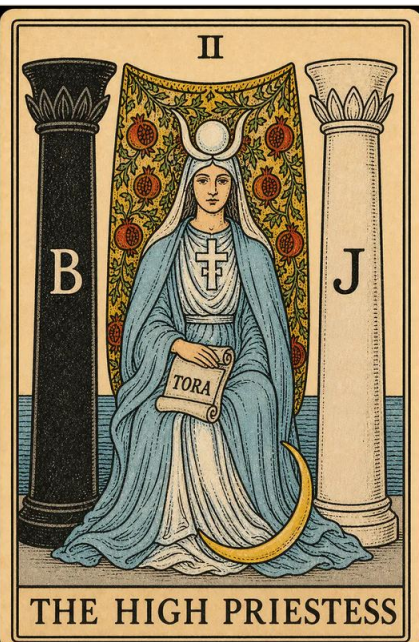

5 Learn the meanings

Pages 12–14 list every card with its upright and reversed meaning. Keep them next to your deck while you practice.
